

Applications Being Accepted for PSB Vacancy

The Public Service Board is accepting applications for one vacancy. Applicants must have education and professional expertise in the field of Financial Management to include: finance or public finance, accounting and financial management practices, investment and banking practices and standard auditing methods.

The Board oversees the management, control and operation of the El Paso Water Utilities System, which comprises El Paso's water, wastewater, stormwater and reclaimed water utilities. Members are expected to attend approximately 12 regular meetings each year, in addition to special meetings and functions.

This is a volunteer **unpaid** position for an estimated 125 hours per year of service. Duties also include responding to phone calls and email messages and meeting with elected officials and EPWU staff. Travel is infrequent but may be required.

Applicants must be U.S. citizens and El Paso County residents with community involvement experience and at least four years of experience in their respective field. A college degree is preferred. Applicants may not hold a political office or interest that conflicts with those of the Public Service Board, including real estate management or land development.

Persons interested in serving on the Public Service Board must apply no later than 5:00 p.m. on Friday, January 25, by providing a detailed resume and a cover letter. Applications can be sent by email (preferred) or regular mail to:

Paula Apodaca, Consumer Affairs Officer
El Paso Water Utilities
1154 Hawkins Blvd.
El Paso, TX 79925
